A&D Nursery is responsible for sending you generous portions of live, healthy plants true to name, but not responsible for your growing conditions or the weather.

Minimum Orders

$35.00 for U.S. order, $350.00 foreign, plus $95.00 for U.S.D.A. inspection. Bonus plants will be included to cover at least half the phyto inspection fee. All shipments are made ONLY via carriers with tracking capabilities and guaranteed delivery, such as UPS.

U.S. Postal Delivery

Shipping Herbacous Peonies

up to 3 plants $14.35
4 to 8 plants $19.95

The U.S. Postal Service offers flat-rate cartons suitable for shipping herbaceous (bush) peonies anywhere in the U.S., including Alaska.

Shipping Tree Peonies

Since tree peonies usually require larger and sometimes improvised boxes, shipping charges vary. It's in your interest for the lowest possible cost to allow a second 'shipping only' charge to your credit card for the exact shipping cost we incur. Rarely, an extra fee of up to $8.00 may apply for oversized cartons. See details under ORDERING on our website.
